# Fifteenth Sunday in Ordinary Time

## July 16, 2017

You have crowned the year with your bounty, and your paths overflow with a rich harvest. — *Psalm 65:12*

### FRUIT OF THE WORD

The seed is the word of God. The agricultural metaphors in all of today's readings give richness to the message that the word of God, cultivated in our hearts, bears much fruit in our lives. Creation itself awaits the redemption of all, even as our bodies await the resurrection. Just as we will rejoice in the fulfillment of God's word, so will all of creation sing for joy in the Reign of God. The word of God is effective and holy; it brings about exactly what it says. It is not futile or empty, but rich in meaning for those who hear and are healed. Those who hear the word of God and keep it will, with all creation, bear much fruit and sing for joy. Copyright © J. S. Paluch Co., Inc.

**St. Dunstan Liturgy Committee** would like to ask each parishioner to consider volunteering to be a Lector and/ or Eucharistic Minister. We publish the schedule every other month so you know your dates of service in advance and can plan accordingly. For all new volunteers, a training session(s) will be scheduled, to prepare you for your ministry.

### **Ministers of the Word or Lectors**

## **Fifteenth Sunday in Ordinary Time**

### **Parables, Anyone?**

When Jesus answers the apostles' question about why he speaks in parables, it may seem as if he is using them to confuse people. We know he is trying to spread the good news of God's kingdom. So he talks to the crowds in parables, easily understood stories that usually have a moral or that end with a question for the hearers. He uses these stories to teach the crowd.

Jesus threw out parables like a farmer sowing seeds. Some of them fell on the ears of those who would be disciples. But most fell on the ears of people not ready to understand. So how do we receive his word? Do we hear it without understanding, letting it go in one ear and out the other? Do we hear it joyfully, but then forget it when troubles or difficulties come along? Do we listen to the word but ignore it in the face of some later temptation?

If we want the word to grow strong in us, we can take steps to help ourselves understand it. We can come to church early and spend a few minutes with the readings before Mass. After Mass we can talk about the readings or the homily with our family over breakfast. We can pick out one practical point to practice that week.

Keeping the word in difficult times is not easy. The cross teaches us to expect troubles, but we have to endure them to really learn that we can go through suffering to a new life.

To be strong enough to resist temptations, we have to decide each day that we want to follow Jesus' word. We can pray for that strength and ask God to help us remember that word when temptations come. And we can decide to stay away from the places, people, or situations that so tempt us.

God's word can be likened to a ball game. We can sit back and watch, not really involved or caring who wins. Or we can jump in and participate and make the game ours. Let us ask God how we can take the word and run with it.

## **TREASURES FROM OUR TRADITION**

Two centuries ago, Archbishop John Carroll worried that Americans would not appreciate the linguistic veil over our worship, and asked that the liturgy in the new United States be in English, not Latin. How did our liturgy come to be in Latin in the first place? In the first century, the dominant language in the regions where the church first flourished was Greek. Today in much of the world, almost everyone speaks at least a bit of English. Recently, the European Union even considered making English its official language, a curious proposal since only two English-speaking countries are members.

Just as English is a unifying language today, it was hard to function in the ancient world without a smattering of Greek. Even the word "Eucharist" comes from the Greek for "thanksgiving." For a long time, Greek was the language of worship, even in Rome. Slowly, society in the west shifted to a bias for Latin and against Greek. Latin first appeared in public prayer at the end of the second century, in the colonial outposts of North Africa. Soon, Latin became the language of culture, and so as fixed prayer forms were written, they were transmitted in Latin. From Rome and Africa, over the next four centuries, the new liturgical language of Latin spread north to Gaul and Britain.
