Society of St. Vincent de Paul - St. Dunstan Conference ~ Assists low income families in our Parish.

It may not be easy to see them but there are families and individuals within our St. Dunstan Parish who right now are in desperate need of all of our love and support. Not everyone can be there to hear them and that is why our Conference of the Society of St. Vincent de Paul is here — to listen and respond to people in crisis.

Society of St. Vincent de Paul - Catherine Center ~ The obstacles faced by women upon release from incarceration are so overwhelming that a productive life seems impossible to achieve. During 12 months of residency at SVdP's Catherine's Center, women recently released from jail or prison, work intensely to understand the root causes of their incarceration, develop new coping skills, and reconnect with family. The women participate in emotional counseling, substance abuse rehabilitation, as well as vocational, educational and spiritual programs.

Gifts will be personally delivered by T.E.R.E.S.A. Committee members in time for Christmas.
YOUR KINDNESS WILL MAKE SOMEONE'S CHRISTMAS WISH COME TRUE!
