Dear Parent/Guardian:

Before any digital photography, artwork or other form of identifiable media involving your son or daughter is placed on the St. Dunstan School of Religious Education website, we ask that you fill out this form and return it with your Faith Formation Registration paperwork.

Some examples of media might be: a group picture of First Holy Communion, photos of students in their classrooms or prayer services held during religious education classes, etc.

In addition, it is our policy not to share family information (i.e., addresses and/or telephone numbers) with other members of our parish without your permission to do so. At times, we are asked by the St. Dunstan Parish Athletics Program for student information so that they can send athletic information to our Faith Formation students.

Until we receive permission, we will by default refrain from posting any media involving your student online or the release of your family information.
