

Religious Education Program Parent Pledge of Commitment

- I recognize that as a parent I am the primary teacher of the Catholic faith in my family. My involvement is of special importance in helping my child in his/her Catholic Faith Formation.
- I promise that as a family, we will make all efforts to participate at the Holy Mass, on Sundays and holy days of obligation. We will attend in person, unless someone is sick and/or quarantine is required, in which case we will stream the Mass.
- I will foster daily, family prayer life at home (for example: morning prayer, before/after meals, bedtime, family rosary, reading the bible, stories of saints) and encourage my child to develop a personal relationship with God by inspiring my child to speak to God.
- With God's help, I will continue sharing the gift of myself and the gift of faith with my child, with our family, and with the parish community.
- I will see to it that my child attends all Religious Education classes, and events associated with Religious Education and be there on time. If my child will be absent, I am obligated to notify Religious Ed office at least 2 hours prior to the class and let them know the reason for the absence.
- As a parent, I will see to it that I attend parent meetings for Religious Education.
- I will oversee my child's continued Religious Education every year and plan to register my child in next school year's Religious Education classes, as long as classes are available for my child's level.
