15TH SUNDAY IN ORDINARY TIME

Matthew 13:1-23

Sometimes I feel capable of absorbing almost anything except God's Word. My mind soaks up song lyrics, sports trivia, and endless online content. But what was the reading at Mass this morning? I struggle to recall. That realization discourages me, and it leads to an uncomfortable question. What is my heart really for? Is it shaped for constant information and distraction, or is it truly designed for God? Am I capable of deeply receiving His Word?

Jesus speaks directly to this today with a simple image. "The seed sown on rich soil is the one who hears the word and understands it." By comparing the Word of the Kingdom to a seed, Jesus reveals something hopeful about us. The human heart is made for that seed. Soil and seed belong together. No matter how compacted, rocky, or overgrown the ground has become, the Sower never stops sowing.

God loves our hearts. He sees them as a farmer sees his fields, full of potential. Human hearts can indeed "understand the Word." Understanding does not mean mastering information. It means letting the Word sink in, interacting with it, and giving it a home. It means trusting that, beneath the surface, God is at work in quiet and hidden ways.

When we allow the Holy Spirit to loosen the soil of our hearts through prayer, repentance, and simplicity, the same Word that created the universe begins to bear fruit in us, 30, 60, even a hundredfold.

Lord Jesus, Sower of life, soften the soil of my heart. Let Your Word take root in me again, and bring forth the fruit You desire. Amen.

Live the Liturgy - Inspiration for the Week

Our hearts are fertile ground for the Word of God, but we must be careful gardeners. Be conscious of what damages and depletes the soil of your heart. Pay attention to what nourishes it, so that the goodness of the Word can bloom forth into the world.
